*** * * Present DOT Notice of Suspension to the County Attorney's Office * * ***

NOTICE: It is your responsibility to see that your court obligations are paid. Watch your pay stubs. If deductions are not being deducted from your paycheck within 2 pay periods after setting up a wage assignment or if the deductions stop, you must contact your payroll office to see why, then notify the County Attorney's office. If your wage assignment does not pay, you will become delinquent and will be subject to further action, such as suspension of driving or registration privileges, contempt hearing and garnishment of wages. State of Iowa procedures to intercept any State Income Tax Refund due to the defendant based upon unpaid financial court ordered obligations are not affected by this payment plan. Tax refunds withheld by the State will reduce the amount owed but are NOT considered payment towards this agreement. Contact Juana, Collections Coordinator, with any questions or concerns at (641) 844-2757
