March 12, 2015

To: Landowners in Joint Drainage District Marshall-Story #1

The Marshall and Story County Boards of Supervisors, acting as Drainage District Trustees held a public hearing in State Center, IA on January 7, 2015 and directed the engineer to proceed with preparing design plans and bid documents for Option 2 as described in the Engineer's Main Tile and Open Ditch Report on file in the Marshall and Story County Auditors' Offices. This option was approved by the trustees at a July 29, 2014 meeting in State Center.

The design plans have been completed and there will be a bid letting at the Story County Administration Building in Nevada, IA at 2:00 p.m. on April 16, 2015. A public hearing is scheduled for April 22, 2015 at 6:30 p.m. in the State Center City Council Chambers at 118 E Main St. in State Center, IA at which the trustees will present the bids to the land owners and consider approving one of the bids and proceeding with the project. There will also be a preliminary reclassification of the district available to give land owners an idea of their share of the final project cost.

The design plans will be on file at the Marshall and Story County Auditor's Offices after Thursday, March 19, 2015. The original report is also available on the Story county website at www.co.marshall.ia.us under the Miscellaneous Services tab

This is your drainage district and you are encouraged to attend the April 22 hearing, or submit written comments if you cannot attend, and let the trustees know your concerns. If you have questions you can reach Story County Drainage Clerk, Scott Wall at 515-382-7216 or swall@storycounty.com or me at 641-844-2715 or whunt@co.marshall.ia.us.

Sincerely,

Whitney Hunt

Marshall County Assistant Auditor & Recorder & Drainage Clerk
