**Meeting Location Moved to State Center City Council Chambers 118 E. Main St.
Tuesday, July 29th @ 6:30 p.m.**

July 10, 2014

To: Landowners in Joint Drainage District Marshall-Story #1

On June 24, 2013 the Marshall and Story County Boards of Supervisors, acting as Drainage District Trustees, held a public hearing in State Center, IA to present a Preliminary Engineering Report on the condition of the 30" main district tile in Joint Drainage District Marshall-Story #1 and options for its repair. Based on input from land owners who were present the trustees directed the engineers to add the option of replacing the main tile with an open ditch. The meeting was recessed until July 29 to give the engineers time to research the third option and add it to the report.

Because the meeting was recessed rather than adjourned no additional notification was required but the original meeting location is now unavailable due to construction. The continued meeting will be at 6:30 p.m. on Tuesday, July 29, 2014 in the State Center City Council Chambers at 118 E Main St in State Center, IA.

Because drainage district facilities are held by the land owners in the district it is the land owners who pay all expenses incurred by the district. The trustees manage the district for the benefit of the land owners. This is your chance to hear from the engineer who prepared the report and to let the trustees know your concerns. While the trustees are bound by the Code of Iowa to maintain the district to its original design capacity they value your input. Please attend the meeting or submit written comments if you are unable to attend.

The original report (without the open ditch option) is available on the Marshall County website @ www.co.marshall.ia.us under Miscellaneous Services on the front page or at the Story county website at www.storycountyia.gov under the Agendas & Minutes tab. There are two parts to the report and both are quite large so it will take time for them to open. Hard copies can be viewed at the Story and Marshall County Auditor's Offices. The minutes from the June 24 meeting are also available on the Story County website. If you have questions you may call Scott Wall, Story County Drainage Clerk at 515-382-7216 or swall@storycounty.com or me at 641-844-2715 or whunt@co.marshall.ia.us.

Sincerely,

Whitney Hunt
Marshall County Drainage Clerk
