To: Landowners in Joint Drainage District Marshall-Story #1

The Marshall and Story County Boards of Supervisors, acting as Drainage District Trustees met in a telephone conference call on November 19 with project engineer Kent Rode to receive the Engineer's Annexation and Right-of-Way reports. The reports respectively describe lands to be annexed into Joint Drainage District Marshall-Story #1 and acquisition of a right-of-way easement along the open drainage ditches of said district.

The trustees gave tentative approval to both reports subject to a public hearing which has been set for Wednesday, January 7, 2015 at 6:30 p.m. in the State Center City Council Chambers at 118 E Main St in State Center, IA.

If, on January 7, the trustees give final approval to both reports they will consider directing the engineer to proceed with preparing design plans and bid documents for Option 2 as described in the Engineer's Main Tile and Open Ditch Report on file in the Marshall and Story County Auditors' Offices. This option was approved by the trustees at a July 29, 2014 meeting in State Center. The original report is also available on the Marshall County website at [www.co.marshall.ia.us](http://www.co.marshall.ia.us) under Miscellaneous Services & Drainage Districts and at the Story county website at [www.storycountyia.gov](http://www.storycountyia.gov) under the Agendas & Minutes tab.

This is your drainage district and you are encouraged to attend, or submit written comments if you cannot attend, and let the trustees know your concerns. If you have questions you can reach Scott Wall at 515-382-7216 or [swall@storycounty.com](mailto:swall@storycounty.com) or me at 641-844-2715 or [whunt@co.marshall.ia.us](mailto:whunt@co.marshall.ia.us).

Sincerely,

Whitney Hunt  
Assistant Marshall County Auditor
